The Game returns to New Haven, November 18

Yale has started the season fast, but Harvard is picking up steam and they're on a collision course for Saturday, November 18 at the Yale Bowl and it's a good bet that the Ivy Title will be on the line for at least one and maybe both teams. Yale played the spoiler last fall in Cambridge and Harvard is looking to start a new winning streak.

Join the Harvard Club for a Pre-Game Lunch...

The Harvard Clubs of Southern Connecticut and Fairfield County are hosting the traditional pre-game lunch in a special Harvard tent just outside the Bowl. Always a popular event, this lunch sold out two years ago so don't wait to reserve your tickets. Following lunch we'll all walk just a few steps to the Yale Bowl to enjoy The Game. Visit the website to order your lunch tickets.

Note: Game tickets must be purchased separately through the Harvard Ticket Office. Information can be found on the Harvard Club website: HarvardClubSouthernCT.org

Harvard Club Events

Where we've been. . .

Annual Dinner

Close to 100 alumni, current and new students and parents gathered at Choate in June for the Annual Dinner. We were introduced to the Class of 2021 and the Summer Fellowship recipients before closing the evening with an interesting and entertaining presentation on Nobel laureate, Bob Dylan, by Richard Thomas, the George Martin Lane Professor of the Classics

Connecticut River Swallow Cruise

Harvard Club members and guests enjoyed dinner and drinks on a beautiful sunset cruise on the Connecticut River on September 16th where they were treated to the phenomenon of the tree swallows. Hundreds of thousands of swallows danced and soared in the sunset before diving into the reeds for the night.

Harvard Club Summer Fellowship Program

The Club has concluded its 12th Summer Fellowship season, providing \$4,000 stipends to Harvard students from our area to work for the summer in community service internships. As the following excerpts will show, the program is educational for the students and highly valued by the local non-profit organization.

My internship exceeded my expectations, I could not have asked for a better experience. My experience was so positive that I am almost certain I will work in a non-profit at some point in my life. My internship showed me both the benefits and downsides of a not-for-profit atmosphere; I think it has left me better prepared and made me more aware of opportunities as I prepare job searches in the future.

- Connor Sakmar ('20) interned at the Florence Griswold Museum

Rachel Tropp ('20) was a tremendous help and did very significant, meaningful work this summer for LEAP. She worked on a variety of media projects from interviewing alumni to creating a video. She took a great deal of initiative and was very

dedicated to doing an excellent job. Rachel had a very positive impact on LEAP.

**- Rachel Kline Brown, Director of Development,
LEAP (Leadership, Education & Athletics in Partnership)**

Jake (Tilton, '19) was absolutely fabulous! He is an incredible student with many unique experiences and interests. He brought a lot to his work here. He worked tirelessly for us and was very, very creative with his inputs for our outreach and social media. His talents were versatile and when something was new to him, he quickly researched what needed to be done and made it happen.

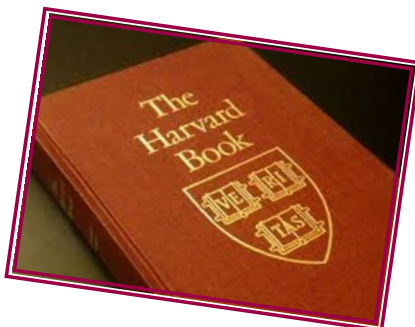

- Leslie MacLise-Kane, Director, Audubon Center, Bent of the River

Want to support future Harvard students in non-profit internships? Please consider making a donation to the Summer Fellowship Program.

Harvard Book Prize

Thanks to your continued support, the Harvard Club will again be able to award **102 Book Prizes** at high schools across our region. The prize is awarded each spring to an outstanding Junior in recognition of their academic achievement. Please help us continue this honored tradition by sponsoring a book prize for a local high school.
