## WANT TO INTERVIEW? WE WANT YOU!

Interviewing new applicants to the College is one of the most rewarding experiences a Harvard alumnus can have. We want you to have that experience.

The Harvard Club honors the tradition that every applicant to Harvard receives an interview. Each year, our club interviews close to 250 applicants - a great achievement for a small club - and we really need your help to keep this unique Harvard tradition alive. The process is not arduous:

you meet applicants at a central location and the typical interview lasts 30-45 minutes. If you have the opportunity to interview at Choate or Taft, you would travel to the school and might meet multiple students. Afterwards, you submit reports electronically.

Please help us help keep this tradition and stay connected at the same time. If you want to interview or learn more about the process, contact one of our area chairpersons below.

**Greater Waterbury** - John Ambrozaitis: [jambrolaw@yahoo.com](mailto:jambrolaw@yahoo.com)

**Choate Rosemary Hall** - Emilie de Brigard: [edebrigard@gmail.com](mailto:edebrigard@gmail.com)

**Greater Bridgeport** - Alison Lew: [alisonlew100@gmail.com](mailto:alisonlew100@gmail.com)

**Greater New Haven** - Susannah Bailin: [sbailin@optonline.net](mailto:sbailin@optonline.net)

**Shoreline** - Christine Dokko: [cdokko@gmail.com](mailto:cdokko@gmail.com)

**Greater New London** - Robin Chase: [rc@robinchase.com](mailto:rc@robinchase.com)

Interviewing is a great way for alumni to stay connected to Harvard.

## HARVARD STUDENTS SERVING OUR COMMUNITIES

*"I don't know what your destiny will be, but one thing I do know: the only ones among you who will be really happy are those who have sought and found how to serve."* - Albert Schweitzer

Through one of our most successful programs, the Summer Community Service Fellowship Program, the Harvard Club funds five summer internships for area Harvard students working for non-profit organizations. Through the generosity of our many club members who make small donations to support the program, we are among the leading Harvard Clubs worldwide in the number of internships offered (five) and the stipend provided to each intern (\$4,000 for a ten week program). Following is the 2014 SCSF class:

*Joan Li, '17: Florence Griswold Museum, Old Lyme*  
*Robert Osei-Bonsu, Jr. '17: New Haven Reads, New Haven*  
*Nicole Granath, '15: The Trust for Public Land, New Haven*  
*Brian Hughes, '15: Office of the Public Defender, New Haven*  
*Victor Wu, '16: CT Voices for Children, New Haven*

You can read more about the Summer Fellowship Program on the Club's website: [harvardclubssouthernct.org](http://harvardclubssouthernct.org).
